# Level 1 Threat Assessment

## Mount Vernon High School

### Student Safety Assessment Team (SSAT)

- Administrator(s)
- Security
- Counselor(s)
- School Resource Officer
- School Psychologist

### Level 1 Threat Assessments are conducted in the event of any of the following:

1. Threat or aggression is specific to identified target with motive and plan.
2. Weapon at school or attempt to bring to school.
3. Threat, aggression, or violence causing considerable fear or disruption to activity.
4. History of threats, aggression, or violence.
5. Staff, parent, or student perceives threatening circumstances.
6. Administrator unable to determine if a situation poses risk to school personnel or the community.

### Process

1. SSAT Meeting scheduled with parents.
2. Team meets with parents.
3. Team meets with parents and student.
4. Determination of placement and/or safety plan.
