

# Fall Re-Opening: Guidance & Requirements

- WA-DOH (July 28, 2021; updated August 11, 2021)
- Provide full-time, in-person learning to all students
- Masks required for all indoor activities and on school buses
- Physical distancing does not limit schools from providing full-time, in-person learning to all students
- Maintain 3 feet of physical distancing between students to the degree possible and reasonable
- OSPI Reykdal's statement re: school funding

# Fall Re-Opening: Guidance and Requirements

- Additionally, ventilation, handwashing, cleaning, staying home when sick and contact tracing remain required mitigation measures (attestations or screening is not mentioned)
- Continued promotion of vaccination – verification of vaccination of staff and students (mitigates quarantine)
  - August 18 announcement by Governor Inslee mandating all K-12 employees be vaccinated by October 18, must show proof
- Promotion of testing
- “Daily” communication, internally and externally
